

A note from John Pendergrass

From our family to yours.....

During this hectic holiday season, we want to take a moment to wish your family the warmest of holidays. May your coming weeks be filled with family, good friends and lots of cheer. Our Eclipse family has enjoyed sharing 2007 with you and our New Year's wish is for a prosperous, healthy and exciting 2008 for everyone.

Enjoy the season!

Tick, tock.....

The finishing touches are going on our new World Headquarters at the corner of Chenoweth Lane and Shelbyville Road. As we all know, good things come to those who wait. While the wait has seemed long at times, we are happy to announce we will take up residence in the building soon. The striking exterior is already drawing both positive comments and excited customers who have tried to enter the building! We guarantee you'll enjoy the interior as well. Once the final tile has been laid, woodwork buffed, and lights switched on, Louisville will be treated to a memorable grand opening of the new Eclipse headquarters. Stay tuned for more information coming soon!

National Recognition for Eclipse!

Eclipse is thrilled to announce that we are the **ONLY** Kentucky bank to win first place in the **American Bankers Association 2007 Financial Marketing Awards**.

The national award, presented in Baltimore, Maryland during the national ABA Marketing conference, recognizes the most impressive bank marketing campaigns, including print, radio, television and multi-media advertising in the financial services industry.

Eclipse won for our groundbreaking and *Digging for Dollars* community event held last summer. You'll remember we built upon the 'legendary' history of the old St. Matthews White Castle by constructing a 50-ton sand castle replica of the White Castle and inviting twenty area non-profits and schools to *Dig for Dollars* in a giant sand box for prizes ranging from \$200 to \$1000.

We were honored to represent Kentucky and proudly accepted the award in the presence of national and international banks with assets in the billions.

More than 200 guests and all local media attended Eclipse's groundbreaking event in June 2006.

While the groundbreaking was certainly a memorable – and award-winning – event, it is just a beginning. Keep your eye on Eclipse as we continue to grow and host many more community events and celebrations in our new World Headquarters. We're proud Louisville – and the entire nation – is learning what the Eclipse Difference means!

Eclipse Goes International for A Magnifico Evening!

Eclipse journeyed to Italy via Louisville recently for the Italian Cultural Institute of Louisville's autumn fundraising event, "A Moveable Italian Feast". The grand event, held at the Orangerie in Glenview, was attended by nearly 200 guests and helped raise funds to benefit the Institute's programs and educational efforts. A few of Eclipse's Italian-loving staff served on the event planning committee and Eclipse provided auction check-out and payment processing services for the event's silent and live auction.

Eclipse continues to work with the Italian Institute and will partner with the Institute again in the spring to present an on-going educational series on Italian art and architecture at Eclipse. It will be one of many community and non-profit events Eclipse will actively host at our new location. We're looking forward to an "eccellente" year ahead!
